## CIRCUITS ASSEMBLY'S SERVICE EXCELLENCE AWARDS

### HOW DO YOUR CUSTOMERS RATE YOUR SERVICE?

Enter the 2005 *Circuits Assembly* Service Excellence Awards and find out your customers' honest opinions about your products and customer service.

On October 1st, *Circuits Assembly* will begin accepting entries for the 13th annual Service Excellence Awards—the ONLY awards program judged by the people who matter—YOUR CUSTOMERS.

#### Entry and Program Requirements

The Service Excellence Awards are open to EMS providers and electronics assembly suppliers (equipment, materials and software). You provide a list of your best customers, and a third-party research firm will gather customer feedback to determine their level of satisfaction. The highest-ranking companies will be presented with awards at APEX 2005!

#### ARE YOU UP FOR THE CHALLENGE?

Log on to [www.circuitsassembly.com/sea](http://www.circuitsassembly.com/sea) and enter today!

## PCB Update

News and resources for PCB industry professionals

PCB Update is a semimonthly e-mail newsletter from UP Media Group, which provides subscribers with the terrific editorial content and expertise of UPMG's two industry magazines: *Printed Circuit Design & Manufacture* and *Circuits Assembly*. Currently circulated twice a month to over 40,000 subscribers, PCBUpdate is perfect for busy professionals who don't have time to read a daily newsletter. Check out the current issue and sign up online for your FREE subscription today!
