ELECTRONIC REPRINTS

Electronic reprints show your clients, partners and employees that you have been recognized in a well-respected industry magazine. They also serve as an attractive endorsement, adding credibility to your company and its products and services.

For **only \$995 US per article**, you'll receive an Acrobat .PDF electronic reprint that has the following features:

- A cover page with your company's marketing copy, the UP Media Group and *Circuits Assembly* logos, and "as seen in the pages of *Circuits Assembly*" text.
- Your article in full color, formatted as it appeared in the print issue.
- A back cover containing marketing copy that you select or provide.
- The rights to post and distribute the article—for life!

To purchase or inquire about electronic reprints of your favorite article(s) today, send an e-mail to:

ca_reprints@upmediagroup.com

CIRCUITS ASSEMBLY

PCB Update

News and resources
for PCB industry professionals

PCB Update is a semimonthly e-mail newsletter from UP Media Group, which provides subscribers with the terrific editorial content and expertise of UPMG's two industry magazines: *Printed Circuit Design & Manufacture* and *Circuits Assembly*. Currently circulated twice a month to over 40,000 subscribers, PCBUpdate is perfect for busy professionals who don't have time to read a daily newsletter. Check out the current issue and sign up online for your FREE subscription today!
