SMTA Offers Mechanical Reliability Webinar

Written by Chelsey Drysdale Wednesday, 17 April 2013 11:37 -

EDINA, **MN** – **SMTA** is offering a free webinar to its members on mechanical reliability.

Mechanical Reliability: Updated Results from a Spherical Bend Test Program will take place May 8.

John McMahon from **Celestica** will discuss how increased temperatures associated with Pb-free processes have introduced significant challenges for PWB suppliers.
