HONG KONG – EMS provider **Nam Tai Electronics Inc.** announced the completion of the **Nam Tai Group**

Structure

reorganization involving its Hong Kong Stock Exchange-listed subsidiaries:

Nam Tai Electronic & Electrical Products Ltd.

and

J.I.C. Technology Co. Ltd.

On Dec. 20, Nam Tai said the minority shareholders of both NTEEP and JIC approved their company's reorganization.

Majority of the public-float shareholders of each subsidiary voted to approve all reorganization transactions announced on Nov. 28.

As of Dec. 31, the reorganization proposals had been implemented in Macao, PRC.
