## Asymtek, YesTech Team on Dispensing Validation Process

Written by Mike Buetow Tuesday, 08 January 2008 06:49 - Last Updated Tuesday, 08 January 2008 09:36

**CARLSBAD, CA – Asymtek** and **YesTech** today announced a jointly developed process for tracking and validating placement and accuracy of dispensed fluid dots.

The process, which uses Asymtek's dispensing capabilities and YesTech's AOI, is said to reveal when fluid droplets are accurately dispensed and placed in the correct location.

Asymtek and YesTech are both owned by Nordson.
