## **Omron Sees Fiscal 2007 Sales, Income Rise**

Written by Mike Buetow Monday, 28 April 2008 07:59 -

**KYOTO, JAPAN - The Omron Group** reported fiscal 2007 net sales of 763 million yen, up 5.4% over last year. Net income rose 10.7% to 42.4 million yen.

Sales were boosted by the weaker yen and business acquisitions.

Operating income rose 5.2% to 65.3 million yen. EBITA from continuing operations fel 0.2% to 64.1 million yen.

Omron makes factory automation equipment and electronics and automotive components.
